

SSC Mat Turn

Mr. Elder, Joan was to answer
you months ago about how to handle these
documents--i. e, how to put them into
the record.

Did he ever and is this taken care of?????

No hurry, but we do need to know how to
handle this?

MEMORANDUM FOR: Legislative Counsel

Dear George:

Attached is a packet of memos which
Mr. Colby has read into the record in appearing
before the Senate Select Committee. Please
advise me on whether we need to actually forward
memos over Colby's signature to the Committee.
